SMC Additional Terms and Conditions:

I. Terms and Conditions Applicable to Each SMC Quotation.

1.1. **SALE, SERVICE AND TRAINING AGREEMENT.** The goods or products sold, services provided and Training provided are sold or provided in accordance with the terms and conditions in SMC's Quotation ("Seller") and these additional terms and conditions ("Terms"), and such other terms as Seller agrees to in writing, all of which shall be the Agreement of the parties with respect to the subject matter of Seller's Quotation. In the event of any conflict in the terms stated in the Quotation, and these Terms the Quotation shall control.

1.2. **ACCEPTANCE.** This sale is conditioned upon Purchaser's written acceptance of all terms and conditions of the Quotation and these Terms, and Purchaser's issuance of a purchase order in response to the Quotation shall be Purchaser's written acceptance. Seller rejects any and all terms in any purchase order or other document of Purchaser which are in addition to, different from, or inconsistent with the Quotation or these Terms. This Quotation is an offer, subject to final approval by Seller. The offer may be withdrawn at any time prior to Seller's final approval, and shall expire automatically if not accepted within 30 days from the date hereof, unless otherwise agreed to by Seller.

1.3. **PAYMENT.** Payment is due at the time of the order unless credit terms are provided on the face hereof, or otherwise provided by Seller. Any balance not paid when due shall draw interest at the rate of 1.5% per month (18% A.P.R.) on the average daily balance until paid or the highest rate allowed by applicable law, whichever is less. Notwithstanding paragraph 1.9 hereof, the parties agree that Seller may bring suit to collect any unpaid balance due from Purchaser (or arbitrate at Seller's option), and Purchaser shall pay all attorney fees and court costs incurred by Seller in connection with the suit to collect such unpaid balance, and all of Purchaser's defenses, avoidances and counterclaims (other than the defense of payment) shall be submitted to arbitration as provided in paragraph 1.9. All payments shall be made in U.S. currency. Credit card payments made after 10 days of invoice are subject to a 2.75% fee.

1.4. **CREDIT APPROVAL.** If Seller allows credit terms to Purchaser, the obligations of Seller hereunder, shall be subject to the condition precedent that Seller's credit department approves the credit of Purchaser.

1.5. **FORCE MAJEURE.** Seller shall not be liable for any delay in shipment of the goods, provision of services or training due to delays caused by its suppliers, and causes beyond its control, including without limitation, acts of God, wars, terrorism, sabotage, casualties, accidents, labor disputes or shortages, governmental laws, ordinances, rules or regulations (such as priorities, requisitions, allocations and price adjustment restrictions), or an inability to obtain personnel, material, equipment or transportation.

1.6. **TAXES AND DUTIES.** Purchaser shall pay, in addition to the purchase price, all sales, use and excise taxes, tariffs, duties and other charges imposed by any country, state, locality or other political subdivision in connection with the sale of the goods or provision of the services or training.

1.7. **WARRANTY.** Seller warrants that the goods, services or training are free from defects in material and workmanship at the time of shipment. Seller's obligation under this warranty is limited to the repair or replacement of the goods, services or training, and shall not include the cost of transportation, handling, or any other charges. Seller's obligation under this warranty is limited to the goods, services or training provided, whether arising out of contract, negligence, strict liability, tort, or under any warranty, statute, regulation, or otherwise, shall not, exceed the price charged by Seller for the portion of the goods services, or training giving rise to such liability.

1.8. **ASSIGNMENT.** This Agreement shall be binding upon the parties and their heirs, assigns, personal representatives, successors in interest, and transferees. This Agreement shall not be assigned, in whole or in part, without the prior written consent of Seller. Any attempt to assign this Agreement without the prior written consent of Seller shall be null and void.

1.9. **ARBITRATION.** Any dispute, controversy or claim arising out of or in connection with this Agreement, including disputes relating to the existence, interpretation, breach or termination hereof or thereof, and the validity and enforceability of this agreement to arbitrate claims that cannot be resolved by the parties shall be resolved by binding arbitration administered by, and in accordance with the Construction Industry Rules of the American Arbitration Association. The arbitration award may be reduced to judgment by any court having jurisdiction thereof. The cost of the arbitration shall be shared equally between the parties, and each party shall bear its own attorney fees and expenses.

1.10. **ENTIRE AGREEMENT.** This Agreement is a complete and exclusive statement of the terms of the Parties' agreement. No course of prior dealings between the parties and no usage of trade shall be relevant to supplement or explain any term used herein, and no modification shall be binding unless made in a writing and signed by the party to be charged. No claim or right arising out of a breach of this Agreement can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by separate consideration and is in a writing signed by the party to be charged. Neither party shall assign its rights or delegate its duties under this Agreement. Facsimile and E-mail signatures of the parties shall constitute original signatures for all purposes. The invalidity of any portion of this Agreement shall not affect the validity of any remaining portions thereof. The parties at all times shall be independent. 1.12. **ASSIGNMENT.** This Agreement shall be binding upon the parties and their heirs, assigns, personal representatives, successors in interest, and transferees. This Agreement shall not be assigned, in whole or in part, without the prior written consent of Seller. Any attempt to assign this Agreement without the prior written consent of Seller shall be null and void.

1.13. **ARBITRATION.** Any dispute, controversy or claim arising out of or in connection with this Agreement, including disputes relating to the existence, interpretation, breach or termination hereof or thereof, and the validity and enforceability of this agreement to arbitrate claims that cannot be resolved by the parties shall be resolved by binding arbitration administered by, and in accordance with the Construction Industry Rules of the American Arbitration Association. The arbitration award may be reduced to judgment by any court having jurisdiction thereof. The cost of the arbitration shall be shared equally between the parties, and each party shall bear its own attorney fees and expenses.

1.14. **ENTIRE AGREEMENT.** This Agreement is a complete and exclusive statement of the terms of the Parties' agreement. No course of prior dealings between the parties and no usage of trade shall be relevant to supplement or explain any term used herein, and no modification shall be binding unless made in a writing and signed by the party to be charged. No claim or right arising out of a breach of this Agreement can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by separate consideration and is in a writing signed by the party to be charged. Neither party shall assign its rights or delegate its duties under this Agreement. Facsimile and E-mail signatures of the parties shall constitute original signatures for all purposes. The invalidity of any portion of this Agreement shall not affect the validity of any remaining portions thereof. The parties at all times shall be independent. 1.15. **FORCE MAJEURE.** Seller shall not be liable for any delay in shipment of the goods, provision of services or training due to delays caused by its suppliers, and causes beyond its control, including without limitation, acts of God, wars, terrorism, sabotage, casualties, accidents, labor disputes or shortages, governmental laws, ordinances, rules or regulations (such as priorities, requisitions, allocations and price adjustment restrictions), or an inability to obtain personnel, material, equipment or transportation.

2.4. **INSPECTION.** Purchaser shall inspect the goods at the time and place of delivery and Purchaser agrees that such occasion shall constitute a reasonable opportunity for its full inspection. The parties agree that Purchaser's failure to reject the goods within three (3) business days shall constitute acceptance of the goods.

2.5. WARRANTIES. Seller makes no representation and disclaims all warranties, express or implied, for any product manufactured by a third party which may be sold by Seller, such products are sold by Seller, AS IS, and for such products the warranty, if any, shall be the warranty provided by the original manufacturer, and Purchaser shall look solely to the original manufacturer for any warranty claim. For goods manufactured by Seller, Seller warrants that such goods shall be free of defects in workmanship for a period of one year from the date of shipment, or such other period as provided on the face hereof, and if goods do not conform to this warranty, Seller at its election shall repair or replace the goods, or refund the purchase price for the portion of the goods giving rise to the warranty claim, and in all cases the cost to repair or replace other property, the cost of removing and installing the goods, and freight are not included in this warranty; and provided that this warranty does not extend to products not of Seller's manufacture, and as to such products Seller conveys to Purchaser the warranty, if any, provided by Seller's vendor. **THIS WARRANTY IS EXCLUSIVE, AND SELLER DISCLAIMS ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR OTHER WARRANTY, WHETHER EXPRESSED OR IMPLIED. THESE DISCLAIMERS AND EXCLUSIONS, AND THE LIMITATION OF LIABILITY SET FORTH IN SECTION 1.7 HEREOF APPLY EVEN IF THE EXPRESS WARRANTIES AND THE LIMITED REMEDIES PROVIDED FAIL OF THEIR ESSENTIAL PURPOSE.** Oral statements by seller's employees or representatives do not constitute warranties, shall not be relied upon by Purchaser, and are not part of this Agreement. If Seller provides a warranty, it is conditioned upon Purchaser's payment in full. Any warranty offered by Purchaser to its customers, in excess of that offered by Seller, shall be the responsibility of Purchaser.

2.6. CANCELLATION AND RETURNS. Purchaser may not cancel this agreement, or return goods without the prior consent of Seller. For special order goods the cancellation charge shall equal the total selling price less the estimated direct labor and materials not expended less the salvage value of materials already purchased, and for returns, the re-stocking fee may equal the price of the goods. For stock items, the cancellation and return charge shall equal a re-stocking fee of 25% of the total selling price, provided that in the case of a return the goods are returned, unused, undamaged, in the original unopened, unmarked and undamaged packaging, of current design and series, and such return is received by Seller, freight prepaid, not later than 30 days after Seller's consent to the return. Goods cut to length or modified to Purchaser's specifications, obsolete, discontinued or close-out items, broken or fragile items, custom goods or goods not returnable to Seller's vendor, or goods without Seller's invoice number, are not returnable for credit.
